Re: Blaze

The blaze license is global for both java and .net

Good news!

Hi Sully -

Thanks very much: your efforts are much appreciated - I'll buy you a beer next time you come over to London :-)

I'm off on holiday from next Tuesday ('till the 10th October), so if Vendor Management don't get back to you before then can you copy David (cc'ed) in on any response?

Cheers,
Ewen

Blaze

Not ignoring you...
I have a call in to vendor management and I'm waiting to hear back
